Cast:

Liza- Lady customer

Joe- Trader Joe's employee

Tina- manager of Trader Joe's

(Trader Joe's)

(Liza walks up to the counter with items to return)

JOE

How can I help you today?

LISA

Just looking to return items today.

JOE

Great.

(Lisa, from her bag, puts a container of blackberries on the
counter)

JOE (cont.)

Just for future customer service, what was defective with this
product?

LISA

Oh I was not paying attention and bought a container with mold on
them.

JOE

I hate it when that happens. (laughs) Would you like a refund or
a new container of blackberries?

LISA

I'll get a new container.

(Lisa then pulls out a block of cheese)

JOE (cont.)

And again, for the system, what was defective about this item?

LISA

My dog Fifi didn't like this kind of cheese; she is more of a feta girl than a Swiss gal.

JOE

Ok then. Refund or new product?

LISA

I'd like a refund.

JOE

Great.

(Lisa then takes out two rolls of toilet paper)

JOE

And, sorry for asking again, what was defective about this item?

LISA

Oh, the paper was getting in between my labial folds while wiping.

JOE

Wait, what? (thinking) I don't quite understand.

LISA

I was wiping, and I felt something in there. And I reached down and felt the paper between my labial folds and had to fish it out.

JOE

Oh. (looks disgusted)

LISA (doesn't notice)

On Tuesday, I was walking down the street when I felt something didn't feel right. I reached down and found the pile of paper in the vag. It was very annoying.

JOE

Well, since the product is not in its original container, I'll have to ask my manager what to do. Please give me one moment.

(Joe leaves the stage to get the manager)

(Enter manager and Joe)

TINA

How can I help?

(to Joe)

(looks at Lisa)

TINA (CONT.)

You. Bitch! I swear to god! I said you were banned from this location.

(to LISA)

LISA

I just wanted a refunnndddd!

(Lisa is chased out of the store)

JOE

(looking shocked)

What was that about?

TINA

She was my neighbor and used to steal my packages, which was very annoying. Now, she comes in every few days to ask for returns, and we got tired of her, so we banned her.

JOE

Oh.

TINA

Sorry, you had to see that, if you see her again, call the police.
